

Synod Response Form

Saint Andrew Church needs to hear your voice! Please fill this out and return to the church by March 23rd. You are also invited to attend an in-person session at church March 15, 10:45-12:00; and/or one of the Zoom sessions, March 9 at 12:00 noon or March 16 at 7:00 PM. Please check the Synod page on the website 10 minutes before the Zoom session starts to get the Zoom link.

All feedback will be summarized and themes will be created and posted on the parish website after March 31st, with the assistance of a lay-led Synod team which created the questions through relational meetings. They will also be sent anonymously to the Archdiocese, and perhaps directly to the Vatican, reflecting our participation in Pope Francis' call to the worldwide Synod on Synodality 2021-2023.
